\*Standard JM Grove projects start approximately: 2-8 weeks (depending on job type, size) from finalized material list and/or deposits. And are normally substantially completed by: (undeterminable) Act of god, Weather, labor shortages, supplies availability, Custom orders, un-foreseen labor/material and but not limited to change orders can all cause delays and cause undeterminable extended turn-around time. All following material & labor is furnished & installed by J.M. Grove Construction unless otherwise specified. J.M. Grove strongly recommends supplying and installing ALL material to prevent costly delays, "owner" is responsible for all delays caused by supplying incorrect material at Time & Material basis. The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Any equipment, material, or labor designated as "OWNERS" responsibility must be on the job site, uncrated and inspected and approved on the day the project begins. Client supplied material used will not be warrantied by J.M. Grove Construction. Payment will be made as outlined below. Please sign and return white copy if proposal is accepted. Review reverse side for terms and conditions

Any removal or correction of any concealed wall, ceiling or floor obstruction ,decay, pipe, ducting, additional wood or metal, additional un-foreseen materials &labor needed to complete a job, Any required state or local permit ordinances, Testing or Analysis or Remediation Removal or Repair of - Radon - Lead - Asbestos - Mold or any other like substances etc. revealed during construction, is not included in this contract. If this type of situation occurs, it will be reviewed with the client, and a separate price will be quoted on that part of the project or billed at a Time & Material rate of: (Mechanic Rate=\$90/hr and/or Helper/Painter Rate =\$70/hr). Payment for the extra work will be paid in full prior to the start of work or the original specifications will be performed. All changes will generally increase the time it takes to complete the project. Change Order Forms must be signed by both J.M. Grove Construction and client.
